ABOUT YOUR FIRST AID CLASS

ARRIVING ON TIME FOR YOUR CLASS

Our classes begin promptly at the scheduled time. For the benefit of all participants, entry will not be permitted if you arrive more than 15 minutes late, regardless of the reason.

If you miss this window, you will need to re-book and pay for a future class.

WHAT TO BRING

- One form of original photo ID (passport, Australian Driver Licence or Proof of Age Card)
- CPR students will be on the ground performing simulated CPR and first aid so please wear appropriate and comfortable clothing

FIRST AID CLASS STRUCTURE

- Explanation and demonstration of first aid techniques
- Student practice
- Assessment

Our courses are hands-on, including CPR practice on infant and adult manikins and simulated emergency scenarios. Our trainers help build confidence and competence in how to provide CPR.

ABOUT YOUR ASSESSMENT

Assessment - Online Learning and Quiz (must be completed prior to class)

The course involves two online learning modules (including multiple choice quiz questions) that MUST be completed before your class (see login details at the top of this email).

Online learning modules

Part 1: CPR online training and quiz

Part 2: First Aid online training and quiz

The online learning includes content, videos with explanations and demonstrations by our trainer and a multiple choice quiz. You must watch the videos in full and achieve 100% in each online quiz. Our system will know when you have successfully completed the online learning.

Tips About The Online Learning and Quiz

•IMPORTANT: This should not be left to the last minute as this will take 2-3 hours to complete.

•Please note that you WILL NOT be issued a Statement of Attainment at the end of your course unless the online learning is complete.

•Don't have multiple tabs open when you do the online learning or completion may not register properly.

•You must complete the online learning yourself - you may ask another person to assist you to read through the questions however it is important that you answer the quiz questions yourself.

•You must complete the online learning prior to attending class. If you do not, you will need to re-book and pay for another class.

Assessment - Practical skills (on the day of your class)

This involves demonstration of:

- CPR techniques on an adult and infant manikin (please note that it is a requirement that CPR on an adult and child manikin is demonstrated on the floor)
- using an AED, EpiPen, puffer and spacer
- bandaging and shock management
- participation in a variety of scenarios/role plays requiring first aid

OUTCOME

A Nationally Recognised Statement of Attainment listing the units of competency:

- HLTAID009 Provide cardiopulmonary resuscitation
- HLTAID010 Provide basic emergency life support
- HLTAID011 Provide First Aid

(issued by CBD College, RTO # 91399)

CURRENCY

The First Aid Statement of Attainment issued at course completion is valid for 3 years.

The Australian Resuscitation Council recommends renewal of CPR every 12 months
